A casa di Monique G.

Lione, Francia

Quella del concertista è per forza di cose una vita nomade, soprattutto durante le tournée internazionali. Monique, flauto traverso in una delle più importanti orchestre sinfoniche francesi, fa parte anche di un affermato quintetto da camera. Per la sua casa di Lione la scelta è caduta sugli esagoni della collezione *Sardinia*, nella gamma armonica di bianchi e di blu, nella varietà dei mosaici, ma anche nella straordinaria *partitura* delle delicate decorazioni tonali. L'atmosfera solare e marina della Francia meridionale e del mare Tirreno l'accolgono nei suoi rientri a casa.

[en] The life of a performer is necessarily nomadic, especially during international tours. Monique, flautist in one of the most important French symphonic orchestras, is also part of an accomplished chamber quintet. For her house in Lyon, she was inspired by the hexagons of the Sardinia collection, by the harmonic range of whites and blues, by the variety of the mosaics, and also by the extraordinary score of the delicate tonal decorations. The sunny marine atmosphere of southern France and the Tyrrhenian Sea welcome Monique upon return home.
